

To "You All"

Right Here.

We have several cars of vehicles and implements due to arrive within the next few days, and as we are already overstocked in some lines this cramps us pretty badly for room.

It is nearing the close of the year and the time for the annual taking of stock when it is particularly desirable that stock be reduced to the minimum.

While business has been exceptionally good with us this season we are anxious to make this the big banner year and as there remain but a few days until the New Year—just a few days more in which to increase the volume of our sales—we have decided to make a special Holiday offer on some of our leading lines of buggies, runabouts and surreys, of a special discount of from \$10 up per rig.

This offer is only made owing to the combination of circumstances above mentioned—will be open but for a few days—and is therefore only for prompt acceptance.

At the prices we have made every rig will be a big bargain which you cannot afford to overlook.

For a Holiday gift nothing equals a swell turnout—something which every member of the family can enjoy, and if you belong to the ranks of the unfortunate bachelor your popularity is trebled by the possession of a "swell" runabout.

Yours for prompt acceptance,

S. First St., Opp. Fire Station.
